

Remarks

The amendments made herein improve the readability of the claims and make it clear that steps 17(b), 26(a)(2) and 27(b) are optional in the claimed method. The amendments find support throughout the application and particularly in the paragraph bridging pages 2-3, where at page 2, line 35 the removal of insoluble components is referred to as optional, and in Example 1.

Applicant now requests favorable consideration of this application.
